Accessibility Statement

"The Mediterrean Diet Course" is committed to providing a digital learning tool that is accessible to the widest possible audience, regardless of circumstance and ability.

We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.1, Level AA), published by the World Wide Web Consortium (W3C). These guidelines explain how to make Web content more accessible for people with disabilities. Conformance with these guidelines will help make the web more user-friendly to everyone.

Whilst "The Mediterranean Diet Course" strives to adhere to the guidelines and standards for accessibility, it is not always possible to do so in all areas of the course and we are currently working to achieve this. We are continually seeking out solutions that will bring all areas of the course up to the same level of overall web accessibility.

If you have any comments and or suggestions relating to improving the accessibility of our course, please don't hesitate to contact Steven Pillay at 21155542@studentmail.ul.ie.

Your feedback will help us make improvements.
